To

General Department, Bangalore:

Sir,

Adverting to para 2 of Government Order No.3206-8/Med. 40-15-38, dated 22nd November 1916, ordering that the opening of the five dispensaries at Aldur, Balur, Attigundi, Santaveri and Balehonnur in the Kadur District, will for the present be on a temporary footing, I have the honor to state that arrangements are being made to locate these dispensaries at the respective places in rented buildings or temporary sheds at present. The European Planters of Santaveri and Balur who were asked to provide accommodation for the dispensary and staff have come forward to provide permanent buildings constructed for the dispensaries at their own cost by raising from among themselves the necessary funds by means of a cess or contribution. The residents of Balehonnur have also agreed to do so by means of private subsciptions. The Committee feel however their inability to accept these offers of buildings in the face of the Government Order which clearly states that the dispensaries will for the present be on a temporary footing and I am desired to obtain the orders of Government as to what reply should be given to the Planters of Balur and Santaveri as also to the people of Balehonnur as regards their offer of buildings.

I have the honor to be,
Sir,
Your most obedient servant,
R Nanaswamy Rao
